Phone System

Provider and approximate number of lines

CRM

Name of your CRM, or write 'none'

Accounting / Invoicing Software

Scheduling / Dispatch Tool

Email Marketing Platform

Other Software You Rely On Daily

On a scale of 1-10, how well do your current tools talk to each other?

3. Revenue Capture (Intake)

Every missed call is a missed job. This section helps us calculate what's falling through.

How many inbound calls / leads per week?

What channels do leads come through?

■ Phone ■ Web Form ■ Social Media ■ Referral ■ Other

Estimated % of calls missed or responded to after 5+ minutes

Best guess is fine

Average job / deal value

\$

Current close rate on qualified leads

Estimate is fine

What happens to a lead that comes in after hours?

What's the most common way you lose a lead today?

4. Revenue Collection

Getting paid shouldn't require a second job. This tells us where cash is stuck.

How many invoices do you send per month?

Average invoice value

\$

What % are paid late (30+ days)?

What % require manual follow-up?

Estimated % of revenue never collected (write-offs)

How many hours per week does someone spend chasing payments?

What's your biggest frustration with getting paid?

5. Operations & Overhead

Time is the most expensive thing you spend. Estimate total hours across your team, not per person.

Hours / week spent on scheduling & dispatch

Hours / week spent on estimates & proposals

Hours / week on manual data entry (double-entry, copy-paste between systems)

Hours / week on crew / team coordination

Hours / week on customer follow-up & communication

If you could eliminate one daily task from your plate, what would it be?

6. Customer Experience & Reputation

Reviews and referrals compound over time. This tells us what's working and what's not.

Current Google review count

Average star rating

Reviews received per month

% of jobs with callbacks or warranty issues

Current referral rate (% of jobs from referrals)

Do you have a formal review request process?

☐ Yes ☐ No

Do you have a formal referral program?

☐ Yes ☐ No

7. Goals & Priorities

This is the most important section. It tells us what matters to you.

What made you reach out to Dominus Foundry?

Or: what caught your attention?

Rank these in order of priority (1 = most urgent, 4 = least):

- _____ Capture more leads / stop missing calls
- _____ Get paid faster / reduce AR
- _____ Reduce manual operations overhead
- _____ Improve customer experience / reviews

What does success look like 90 days from now?

Is there a specific dollar amount you're losing that you'd want to recover?

Annual estimate, best guess

Timeline: When do you need this operational?

■ ASAP ■ 30 days ■ 60 days ■ No rush

8. Decision Framework

Helps us tailor the conversation to everyone involved.

Who else is involved in this decision?

Have you evaluated other AI / automation solutions? If so, which?

Budget range you're comfortable with for a one-time build

Preferred payment structure:

■ Pay in Full (10% discount) ■ 6-Month Plan ■ 12-Month Plan

Any concerns or dealbreakers we should know about upfront?

This questionnaire is confidential and used exclusively to prepare for your discovery call. The more detail you provide, the more specific and valuable our conversation will be.
